Instructions:

Every player gets a Cottey Bingo chart.

Using the word bank at the bottom of the sheet, the Caller has the participants **fill in their own charts**, encouraging them to randomize the order of the words. There should be one word or phrase per box.

The Caller will read the definitions in any order (and **then** the calls the word) until there is a BINGO! The winner will read back the words that were the winning combination.
(either played or a free space) **P.E.O. Sisterhood** - Cottey College was founded in 1884 by Alice Virginia Cottey Stockard. She became a member of the P.E.O. Sisterhood in Chapter DW, Missouri, and she gifted the college to P.E.O. from the platform of the 1927 convention of Supreme Chapter in Oklahoma City. Cottey and the P.E.O. Sisterhood are partners in the important work of educating women!

**Dr. Jann Weitzel** – Cottey’s twelfth president, Dr. Weitzel came to Cottey from Lindenwood University in St. Charles, Missouri, where she has served as provost.

**Four-years** – Cottey offers four-year B.A. and B.S. programs with majors in business, English, environmental studies, health sciences, international business, international relations, liberal arts and psychology.

**Nevada, MO** – Nevada, Missouri has a population of about 8,000 people. It is the county seat of Vernon County and is the home of Cottey College.

**P.E.O. Visit Day** – Have you always wanted to visit Cottey, see a performance, and enjoy some Cottey cuisine? This special visit day will allow you to tour campus, have lunch in the dining room, meet current students and staff, and experience Cottey life! The best way to understand the advantages Cottey has to offer is to visit campus and see for yourself! Visit the Cottey website for information on how you can be a part of this premier visit event.

**Vacation College** – P.E.O.s, BILs, and alumnae are invited to attend Cottey’s Vacation College, held every May. Vacation College is a wonderful opportunity to combine a Cottey experience with personal enrichment, and have some fun along the way. Participants experience Cottey from the inside out as they stay in one of the residence halls, eat in Raney Dining Room, and attend classes taught by Cottey College faculty and staff - all without the pressure of mid-term exams or finals! Nightly entertainment, recreational activities, and extraordinary chances for fellowship are all a part of this exciting week.

**Distinguished Speaker Series** – The Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness hosts the Distinguished Speaker Series so that students may hear from women who have been successful in their field.

**Elevator Speech** – An elevator speech is a very short presentation designed to communicate your main point in the amount of time it takes to ride an elevator. You can design your own Cottey elevator speech with a chapter program called “A Minute for Cottey,” found on the Cottey website.

**College Fairs** – Did you know that P.E.O.s are some of Cottey’s best promoters? You can attend a college fair at your local high school on Cottey’s behalf. Check out the P.E.O. section of Cottey’s website to get recruitment materials for free.

**Student Gathering** – Be a crusader for Cottey recruitment by holding a student gathering. Student referrals from P.E.O.s are 8 times more likely to come to Cottey than any other source.

**Promote** – Does your chapter want to do more for Cottey promotion? Try out the chapter program “Think About Who You Know” available on the Cottey Website.

**Serenbetz Institute** – In 2014, Cottey received a gift of $1 million from P.E.O. Thelma Serenbetz, which allowed for the creation of the Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness.
**Suite Life** – Cottey’s campus houses 34 suites, which consist of small communities for about 10 to 14 women. Cottey purposefully creates suite diversity so that students have an opportunity to live with women from other states and countries. Suites typically have a mix of new and returning students who share a living area, a small kitchen area, common bathroom, individual double and single student bedrooms. Each hall has a live-in hall director and three resident assistants.

**Traditions** – Just like in P.E.O., Cottey women have traditions which help them form friendships that last a lifetime. Ask an alumna about the Duck Game, DJs, Step Sing, and Skinnamarink!

**Clubs** – Everything from Anime to honor societies, Cottey students have an opportunity to be a part of over 40 clubs and organizations on campus, all of which provide leadership opportunities and shared interest collaboration.

**Annual Fund** – The Annual Fund consists of unrestricted gifts that support the daily operations of the College. Your contribution to The Annual Fund will go to work where it’s needed most and may include support for things such as salaries and professional development.

**Chellie Bucks (shell – ee)** – Cottey’s Chellie Club is a snack bar named after Chellie Stevens Wright, President of Supreme Chapter from 1937-1939. You can purchase “Chellie Bucks” for suites or individual students by sending a check to the Office of P.E.O. Relations.

**Care Package** – One of the best ways to support a Cottey student is by sending a care package. Favorite gifts include snacks, school supplies, and quarters for laundry.

**Athletics** – Cottey participates in basketball, softball, volleyball, cross country, and track as a part of its intercollegiate sports program. Cottey is a member of the NJCAA and the Comets compete at the Division II level.

**Fine Arts** – Cottey’s newest building the Judy and Glenn Rogers Fine Arts Building, which was made possible by the Defining Moment Campaign, opened in 2016. This building provides a collaborative space for music, dance, and art.

**Community** – Both the Nevada and Cottey communities provide a supportive environment for students who are far away from home. With a student to faculty ratio of 10 to 1, the professors have time to interact on a personal level with each student. Students can always find support from staff, peer listeners, residence hall directors, campus counselors and suitemates.

**Global Awareness** – At Cottey, approximately 1 in every 10 students is international. Add that to the International Experience trip our students go on in their second year, and you can see how hard Cottey works to instill a global perspective in its students.

**Social Responsibility** – Cottey College has been named to the 2014 President’s Higher Education Community Service Honor Roll with Distinction for Interfaith Community Service.

**Women’s Leadership** – LEO (Leadership, Experience, Opportunities) is a certification program which helps Cottey students realize their own leadership potential and use it to accomplish their goals.

**Internships** – The Kolderie Academic Assistance Center provides help for any student who wants to complete an internship during her time at Cottey. Internships are available as early as the second semester of a student's first year.
