Certification of Finances Form

Certification Guidelines

Important: U.S. visa regulations state (that in addition to satisfying academic requirements for acceptance), international students must demonstrate adequate funds to meet the expenses involved in the students’ proposed program of study. This requires international students to provide evidence of the funds they will be utilizing to fund their education at Cotey College. An I-20 or other Certificate of Eligibility will not be authorized until this form is completed and returned to the Office of Enrollment Management at Cotey College. Admission is ultimately dependent upon the ability to demonstrate sufficient financial support.

A. Documentary evidence for the amount of financial support that will be available to the student from all sources is required. All documentary evidence must be sent to the Office of Enrollment Management along with this form.

B. Please write legibly throughout the form and use US currency whenever monetary amounts are requested. Complete all sections and direct any questions to the Financial Aid Office at financialaid@cotey.edu or 417-667-8181, ext. 2190.

I certify that the information on the form below is true, correct and complete. I understand that any misrepresentation may be cause for refusing or revoking admission. I understand that by indicating the funds above are available, they are to be applied toward the cost of an education at Cotey College. I and those assisting me understand that we have an obligation to provide the funds we have indicated above for each academic year and that if these funds are not provided I may be unable to continue an education at Cotey College.

Certification of Funds

Income information must be converted to United States currency. List in each box the amount you expect to receive from each source for all four years of your Cottey education.

*Please note that Cottey expects international students to contribute at least $10,000 to each academic year.* If COA increases each year, the Expected Family Contribution may increase as well, not necessarily your amount of financial aid. If your funds do not equal at least $10,000 per academic year you may be considered ineligible for financial aid at Cottey or may be asked to seek additional funds.
