

COTTEY COLLEGE CHARTERED BUS INFORMATION 2019-2020

Cottery College offers a chartered bus service to and from Kansas City International Airport (MCI airport code) at the beginning and end of academic breaks. If you are in need of Cottery's chartered bus service, please plan your air travel around the departure times below. Public transportation is very limited. **For last-minute reservations, changes or cancellations, or to report travel difficulties that may delay your arrival, please contact the vice president for student life, Dr. Landon Adams at 417-499-8310.**

Cost: Reservations are **\$40 each way** if made two weeks in advance of departure date. Thereafter, the price rises to \$50. Students who did not previously make a reservation will be charged \$80 to ride.

Reservations: The bus schedule is located on the Cottery website [Cottery College - Chartered Bus for Current Students](#) and on the Cottery intranet. Reservations may be made until noon on the **previous business day of the scheduled bus departure**. Business hours are defined as 8 a.m.-5 p.m., Monday-Friday. Seats are limited and some buses may sell out. You may also contact Shaun West in the Office of Student at 417-667-6333, ext. 2126 (automated service), during business hours to make a reservation. Visa, MasterCard, and Discover are accepted and online payment is made at the time of reservation. If you prefer to send a check, please complete the form at the bottom of this page, and mail to the address listed. **This schedule and price is subject to change at the discretion of the College.**

Luggage: As space is limited, students may only bring one large or two small suitcases each and a small amount of carry-on luggage.

Length of trip: The trip between Cottery and the Kansas City airport takes approximately 2½ hours. Allow at least one hour between arriving at the airport and flight/bus departure time.

Airport Information: The chartered bus always departs from **TERMINAL C, GATE 88**. Individuals arriving at Terminals A or B will need to catch the free shuttle bus to Terminal C by waiting beneath the red signs outside the terminals. As the bus must leave on time, please plan to arrive at least 30 minutes before departure time. On trips to the airport, students will be dropped off at Terminal C. Students will then need to take the shuttle to the proper terminal.

Liability: Should an unforeseen event arise which forces a bus to be late (weather or mechanical problems), alternate transportation arrangements will be made as soon as possible. The College, however, is not responsible for the cost of missed flights. In addition, the College is not liable for items left on buses or any other losses suffered because of participation in this optional service. The chartered bus company carries general liability insurance.
