AFFORDABILITY

We are dedicated to helping women unlock their potential and become socially responsible, globally aware leaders. That's why Cottey works hard to make attending college affordable and strives to work with students who have financial needs.

Don't be misled! The low sticker price of public universities may make them look like a bargain, but they often show only tuition costs, leaving out room and board. Cottey's scholarships, aid, and grants from the P.E.O. Sisterhood bring our average cost to attend below most public and private schools.

Below is our average annual cost, **including tuition, fees, room and board after financial aid is applied**, compared to other types of institutions:

Public Universities—\$15,380

Private Universities—\$27,370

Cottey College—\$7,253
