Why visit Cottey?

It's hard to explain a beautiful painting—a vibrant tapestry is best seen, not described.

Cottey College is a place that is best appreciated by stepping foot on the grounds. The beauty, passion, and supportive environment that exists on this campus cannot be truly understood from a distance. That's why we invite students to tour our incredible campus.

We offer virtual and in-person tours. Both types of tours are guided by a live admissions counselor and fully customized for each student.

To schedule a virtual or in-person tour, visit [cottey.edu/visit](https://www.cottey.edu/visit)

Unique on-campus features

Cottey's amazing classes and facilities help students grow and create the future they want to live. For example, we have a dance studio that encourages anyone and everyone to participate. Dance classes pride themselves on their supportive community, encouraging beginners to dance alongside advanced students.

We also have a state-of-the-art pottery lab, kilns, and a painting studio. Cottey provides art supplies and musical instruments for students, so that they don't have to purchase these items.

At most schools, these amenities would only be available to those majoring in a creative discipline. At Cottey, these activities are seen as part of developing students into well-rounded people. Students of all majors choose to participate in self-expression and the arts at Cottey!
