

2021-2022 LOCAL CHAPTER REPORTS

DEAR LOCAL COTTEY CHAIR,

We have gathered a collection of eleven brief presentations that you may print and use during the report of committees at monthly P.E.O. meetings. Each report will take less than a minute to share and will provide your chapter with wonderful, informative glimpses into life at Cottey College. Several pages of general information are included.

Suggested procedure:

- 1) Print out the entire file. You may want to make sure the printer is set to print on one side only.
- 2) Choose the presentation that you want to share at your P.E.O. meeting as a report from Cottey College.
- 3) Pass around the page after your report so your chapter members may enjoy the pictures.
- 4) Keep in mind that there are some time-sensitive materials, so you may want to plan your presentations in advance.

We have a beautiful campus and excellent facilities, but what one sees on campus is just the stage setting for what happens in the classrooms, on the courts, in the suites, locally, and internationally. It is the faculty, staff, alumnae, friends of the College, and the Sisterhood who breathe life into the incredible opportunities provided to our students.

We hope you will be informed and motivated to share the message of your College with your P.E.O. sisters and prospective students. If you have questions regarding referral of students from your state, province, or district, please contact your regional Cottey chair. Her information may be found on your state, province, or district website.

You are a part of the amazing partnership that Cottey College has with the P.E.O. Sisterhood. Together, we are creating incredible futures!

COTTEY IS...

Committed | Academic Excellence | Community
Empowering | Globally Minded | Motivating

EXPANDING IN NUMBER ; GROWING IN SUCCESS

1999-2000

Basketball program added to the athletics dept.

2000-2001

Volleyball program added as Cottey's second sport

2008-2009

Softball program added as Cottey's third sport

2012

Vanek Family Memorial Softball Field Built

2020-2021

Flag Football program added. Esports program added.

2018

Cottey was accepted as a new member of the National Association of Intercollegiate Athletics (NAIA).

2017-2018

Golf program's Inaugural Season

2014-2015

Cross Country and Track programs added

ABOUT COTTEY ATHLETICS

The National Association of Intercollegiate Athletics (NAIA) is a governing body of small college athletics programs that are dedicated to character-driven intercollegiate athletics. Membership to the NAIA complimented Cottey College's accreditation as a four-year baccalaureate degree-granting college. With a commitment to advancing character-driven athletics with the Champions of Character program at the heart of the organization, the NAIA is an excellent match with Cottey College. In the two years that Cottey College has participated in the NAIA, the athletics department has been awarded the Five-Star Gold Status, the highest ranking possible. Institutions are measured on a demonstrated

commitment to Champions of Character and earned points in character training, conduct in competition, academic focus, character recognition, and character promotion. Institutions earn points based on exceptional student-athlete grade point averages and by having minimal to no ejections during competition throughout the course of the academic year.

Cottey College Athletic Department Scholarships - Scholarships are awarded to Cottey athletes based on demonstrated ability. They include basketball, cross country, Esports, flag football, golf, softball, track, and volleyball.

NAIA National Tournament Appearances - Congratulations to the Cottey College volleyball and softball programs for advancing to the NAIA National Tournament in 2021!

Volleyball - The Continental Athletic Conference (CAC) Conference Championships will be held at Hinkhouse Gymnasium November 12-12, 2021.

Sport Schedules can be found at www.cotteycomets.com | Facebook at Cottey College Athletics

MAINTENANCE AND NEW PROJECTS

Cottey College is a creator of incredible futures for both our students and the areas they will impact. Our campus and student body share a collective enthusiasm for educating women to be contributing members of a global society. At Cottey College, we understand that a vibrant higher education involves more than a classroom experience. Campus improvements and preservation directly affect the student experience. Thus, Cottey remains committed to investing in the facilities and grounds to further the quest of becoming the institution of choice for women seeking a growing, distinctive, and selective college.

Throughout the summer, several maintenance and new projects were completed:

- Air conditioning was installed in Reeves Hall, and all of the original plumbing within the building was replaced.
- A building on the corner of West Austin and Tower Street was renovated to create a beautiful new Cottey College Student Wellness Center for medical, counseling, and spiritual life services.
- A new, more efficient and higher capacity dishwasher was installed in the kitchen of Raney Dining Room replacing a unit that was approximately 30 years old.

Thanks to endowments from their sponsoring chapters, Wheatlake, Colorado-Minear, and Texas Suites were refreshed with new paint, new furniture in the suite area, and new carpet.

The grand opening of the Susan Bulkeley Butler Center for Campus Life was celebrated at our alumnae 2021 Founder's Weekend. The new campus center features gathering, studying, dining space for students, faculty, staff, and visitors; the Cottey spirit shop; the Chellie Club, a coffee and snack bar; lockers for Cottey's growing commuter student population; new campus meeting spaces; and outdoor terraces with multiple spaces for seating and an amphitheater. In addition to the campus center, the upper level of the Chapel has been revitalized and the entire facility is now air conditioned.

As always, no debt was incurred for any of these projects. We are so fortunate to have amazing P.E.O. supporters, alumnae, and friends of the College who make these projects possible.

Online Connection:

We invite you to join us in our efforts to create a vibrant, interactive, engaging campus community. You can help influence the quality of student life for generations to come. Go to cottey.edu/give to see how you can directly support Cottey students.

ACADEMIC PROGRAMS

CREATORS OF INCREDIBLE FUTURES

At Cottey College, we have 14 bachelor's degree programs, 18 minors, and four associate degrees. Graduates of our degree programs are well-prepared to enter the world of work and for advanced study in graduate or law school. Faculty have developed learning experiences that distinguish Cottey as a leader in women's education. Approximately 75% of Cottey students are in bachelor's degree programs. The bachelor degree programs build on the core strengths of Cottey: an academically challenging environment with leadership opportunities for women, including an international experience, on a close, yet energetic, campus community.

Since its founding, Cottey has held strong to its mission of educating women in the arts and sciences. The skills gained through the curricular core offer students the opportunity to assemble a broad foundation of knowledge that can be used in a wide spectrum of careers and across a lifetime:

- the ability to think critically and creatively
- to examine the world from all angles
- to communicate effectively
- to question for ourselves rather than simply believing what others tell us to believe
- to reason
- to be problem solvers
- to make ethical decisions
- to apply the scientific method
- to adjust to changing situations

With the development of Cottey's baccalaureate programs, students now build on that arts and sciences base with strong subject-specific coursework and experiences all focused on preparing students for graduate school and/or their desired careers. Further, students are introduced to the three vital themes of Cottey: leadership, social responsibility, and global awareness. Thus, when students graduate from Cottey, they are prepared for whatever lies ahead.

P.E.O. PROJECTS

CONNECTING COTTEY WITH P.E.O. PROJECTS

P.E.O. is a philanthropic organization where women celebrate the advancement of women; educate women through scholarships, grants, awards, loans, and stewardship of Cottey College; and motivate women to achieve their highest aspirations. With these goals in mind, we are spurred to action in our local communities every day.

We can even find ways to combine efforts for our project recipients! International Peace Scholarship (IPS) awardees attend Cottey every year. In the past, we have had students who have been recipients of grants from the Program for Continuing Education (PCE) loans from the Educational Loan Fund (ELF), and of course, scholarships from the STAR Scholarship project. A few of our STAR student recipients who currently attend or recently attended Cottey are Madison Woodward, from Laurel, Maryland; Mikayla Meyer, from Chamberlin, South Dakota; Emily Marsh, from Beaumont, California; Hanna Bell, from Nevada, Iowa; Morgan Brown, from Hernando, Florida; Kirsten Bureman from Springfield, Missouri; and Grayce Navratil from Shawnee, Kansas.

STAR STUDENTS

GREAT COTTEY STUDENTS

Have you nominated a young woman for a STAR scholarship recently? Did you know that STAR students are ideal Cottey students? P.E.O. International describes ideal STAR candidates as exhibiting “excellence in leadership, academics, extracurricular activities, community service, and potential for future success.” These qualities also describe a great Cottey student! Many chapters have an idea of who they might nominate for a STAR scholarship in a year or two, and that is the perfect time to also refer her to Cottey College. By senior year, many students have already decided where they will attend the following fall.

By letting Cottey know about a candidate earlier in her high school career, she has more opportunities to learn about the kind of college that will help her seek her future success and incredible future. One way you can help her get to know Cottey is to help her Experience Cottey! Cottey’s enrollment team individualizes each campus visit, letting the student see all the potential opportunities Cottey has to offer for her future! Further, students who visit and then enroll will receive an annual \$1,500 visit scholarship, up to \$6,000 over four years!

COTTEY IS EMPOWERING

An internship is a great way to get early job experience as well as make valuable networking connections. Cottey internships are available throughout the year with a variety of businesses, organizations, and non-profit agencies. A successful internship provides students with an opportunity to apply their classroom learning to the workplace. Employers and graduate schools value students who have put classroom concepts and skills to work in a “real world” environment.

Katie Bowes, Class of 2019, not only took courses in criminology to prepare for her career, but she also completed a semester-long internship with the Nevada Police Department three days per week. She was not there just to do filing, although everyone in the department has responsibilities involving paperwork.

“I went on ride alongs,” Bowes said at the time, explaining some of her duties. “I did some CIT [crisis intervention training] analysis. I took a look at some of their data and compiled it into an analysis of what they have done, what calls they’ve gone out on, and how many of those they have gone on during the year and what is the average.”

“The best thing about coming to Cottey was the opportunity to do an internship with the police department and work closely with faculty and staff to make sure that things like this happen,” Bowes added.

Three Cottey students have completed internships at the Kansas Polymer Research Institute on the campus of Pittsburg State University over the last three summers. Edilawit Mehari, associate degree class of 2021, is the most recent Cottey student to work on a research project. This internship was funded by summer research funds from Cottey’s Serenbetz Institute for Women’s Leadership, Social Responsibility, and Global Awareness. Mehari said of her internship, “I’m really excited to be part of this program and the people here are so supportive.” Other students who have completed research internships at the Kansas Polymer Research Institute are Wadzanai Ndambakuwa in 2020 and Lamoi Williston in 2019.

Cottey students have also interned at the Nevada Regional Medical Center, the Missouri Veteran’s Commission, Missouri Probation and Parole, the Nevada R-V School District, as well as local pharmacies and veterinary clinics. Cottey students have participated in internships with national and international corporations as well.

Students eligible to participate in an internship must have first-year, second-semester or second-year standing by the beginning of the internship and have a 2.0 cumulative GPA or higher. Cottey internships offer course credit and are monitored by a faculty member and an internship site supervisor.

TRAVEL THE WORLD

COTTEY IS GLOBALLY MINDED

In today's world, we believe every student should have a global education. At Cottey College, we open the door so students may take advantage of many international opportunities to expand their horizons, allow them to broaden their perspectives, and hone their cross-cultural communication skills.

All sophomore-level students and transfer students, having completed 24 credits at Cottey, are encouraged to spend the first week of spring break visiting an international city with classmates and faculty, learning about art, history, science, and culture. Students enroll in a course titled "Step into the World" to prepare for the selected modules and to develop their knowledge base about the country to which they will travel. No extra tuition fee is charged for the trip, and the College pays for airfare and hotel with interest from a fund established by the Cottey College Board of Trustees. In past years, Cottey students have traveled to many different destinations such as Florence, Paris, Rome, Barcelona, London, Madrid, New Zealand, Thailand, Tanzania, and Japan.

Some of our baccalaureate students spend a semester or more studying abroad. They take courses for credit and develop a truly international viewpoint. Our students have studied in Hong Kong, China, Japan, South Africa, Ghana, Spain, France, United Kingdom, Costa Rica, Argentina, and Chile. We have had students spend an entire semester studying with Semester at Sea, comparing cultures at port cities around the world. In the spring of 2020, students were scheduled to go to Germany and Poland, and in 2021, to Athens, Greece, but because of the COVID-19 pandemic, these events were canceled. Students who were scheduled for these canceled trips had the opportunity to participate in a May 2021 trip to Oahu, Hawaii.

In the spring of 2022, student are scheduled to travel to Paris, France!

Online Connection:

To view a video of students, faculty, and staff discussing global awareness and travel opportunities, visit our YouTube channel CotteyEdu and watch the video titled "International Travel Opportunities at Cottey College."

U.S. News & World Report announced that Cottey College ranked #1 among its 2020 Best Regional Colleges. In total, 76 colleges were ranked from 12 states comprising the Midwest region. In addition, U.S. News & World Report again recognized Cottey in three additional categories in the Midwest region. The College is ranked #1 among Best Value Schools; #6 in Lowest Student Debt Load at Graduation; and #4 in Schools with Largest Proportion of International Students.

Rankings by respected organizations such as U.S. News & World Report can provide valuable information to compare merits of different education programs. U.S. News & World Report uses 50 different types of numerical rankings in their annual comparisons. Colleges ranked in the Best Regional College category focus almost entirely on the undergraduate experience and offer a broad range of programs in the liberal arts in fields such as business, education, the sciences and humanities.

Regional colleges include both public and private institutions. Colleges ranked in the Best Value College category take into account a college's academic quality based on its U.S. News Best Colleges ranking and the 2019-20 net cost of attendance for a student who received the average level of need-based financial aid. The Lowest Student Debt Load at Graduation ranking indicates the median amount of debt for 2018 baccalaureate graduates. The data includes loans borrowed by students from the federal government.

Being an Influencer

All P.E.O. sisters have influence in the community! Be an influencer and network for Cottey College. Think about who you know. You may know students; you may know parents; you may know other influencers. Attend high school events and performances. Talk with community members who work with teens—youth pastors, teachers, counselors, school administrators, community center staff. Regularly talk about Cottey!

People who know you should know that P.E.O.s support Cottey College.

We at Cottey cannot thank you enough for your willingness to promote our gem of a college to qualified and interested prospective students, either in high school or those who are at other colleges looking to move to a better environment for their education. We encourage you to explore our website at cottey.edu to learn more about Cottey. Refer a student today or plan a visit to a high school counselor, teacher, or coach. Get excited and help create incredible futures with us!

Online Connection

If you are in need of materials to promote Cottey to students, visit cottey.edu/peo and select the "Promote Cottey" link. On that page, you will see a link to the form where you may order free promotional materials. If you are needing additional materials or programs to present to your chapter, you may order free materials from Cottey. Contact the Office of P.E.O. and Alumnae Relations by email at peorelations@cottey.edu or by telephone at 417-667-8181, ext 2122. Helpful videos by our Outreach Coordinator are available to help in understanding how to promote Cottey to prospective students. Visit cottey.edu/peo/promote-cottey for more information.

LUMINARY CHAPTERS

BECOME A PART OF COTTEY

A luminary is one who inspires others and lights the way for those who follow. Local chapters now have an opportunity to earn the Cottey College Luminary Chapter designation, representing the light that leads to incredible futures!

Founded in 1884 by Virginia Alice Cottey, Cottey College has been a part of the P.E.O. Sisterhood since 1927. Cottey is vision made reality for the education of women. With dedication to a challenging curriculum in a supportive environment, students imagine, believe, and achieve their incredible futures.

BECOME A COTTEY COLLEGE LUMINARY CHAPTER

- A chapter that makes a lump sum contribution of \$500 or more will be designated a Cottey College Luminary Chapter. To receive recognition, the chapter contribution must be received by Cottey College by January 31. Contributions may also be received by the s/p/d treasurer or paid assistant by January 31. Chapter checks are not to be sent directly to the Executive Office. (Exception: Hawaii chapters should send their contribution to the International Chapter Treasurer.)
- Individual contributions of \$500 or more also allow a local chapter to receive recognition as a Cottey College Luminary Chapter, provided the donor specifies the chapter to be credited. To be considered a charitable donation, this contribution must be made payable to Cottey College and be sent to Cottey College. The deadline for these designated gifts is January 31.

To become a luminary chapter, go to cottey.edu/give.

CHAPTER RECOGNITION

- Each chapter designated as Cottey College Luminary Chapter will receive a certificate at its s/p/d convention. Chapters in Hawaii will receive Luminary Chapter materials directly.
- Chapters designated as Cottey College Luminary Chapters will be listed as Luminary Chapters on the Cottey College website. They will also be listed on the Cottey College pages of the International Chapter website.
- Luminary Chapters will be featured in s/p/d displays, newsletters, emails, and other promotions with the assistance of s/p/d Cottey College Chairmen.

YOU'RE INVITED

COTTEY VACATION COLLEGE & P.E.O. VISIT DAY

Nestled in the historic town of Nevada, Missouri, Cottey College is truly a travel-worthy destination! Come for one of our amazing events or to take a student-led tour and enjoy the beauty of our 80-acre campus and up-to-date facilities.

Cottey College was founded in 1884 by Virginia Alice Cottey. She was critical of curriculum that emphasized social graces and homemaking skills over intellectual development, and her goal was to give women the best possible academic instruction with an appreciation for the liberal arts. This solid academic emphasis remains the cornerstone of our College.

Cottey Vacation College

For one week each summer, Cottey College's dedicated faculty and staff will provide you with an experience you will never forget. You will be housed in a suite with eight to twelve guests; feast on Cottey cuisine; be inspired by our highly qualified faculty and passionate staff; and enjoy fun, optional evening activities.

Classes represent a wide range of interest areas in locations across campus. Participants attend morning and afternoon classes of their choice for four days and enjoy nightly entertainment and activities throughout the week. Information about Vacation College will be mailed in January to every local chapter president, all state board members, state Cottey Committees, select alumnae, and friends of the College.

Online registration will open in January.

P.E.O. Visit Day

Plan to visit during our premier visit event, P.E.O. Visit Day. While campus tours are offered year-round during the business week, the College sets aside a special Saturday every fall for P.E.O.s, alumnae, friends of the College, and the community to experience life on campus. P.E.O. Visit Day is the perfect opportunity to interact with Cottey students, tour campus, enjoy the wonderful Cottey cuisine, meet Cottey College president, Dr. Jann Weitzel, and enjoy a reception at the President's House! The scheduled activities begin at 9:00 a.m. and conclude with an Open House in the afternoon. We

cannot wait to welcome you to campus and share our incredible Cottey College.

Scheduled Individual or Chapter Visits

Cottey College offers student-led walking tours for P.E.O.s, BILs, and P.E.O. chapters Monday-Friday between 9 a.m. and 1 p.m. The student ambassadors eagerly await visitor arrivals to campus! They love to share their story and their college. Go to cottey.edu/peo/campus-tours to schedule a tour of Cottey College!

If you are scheduling a tour for a prospective student and/or her family, please contact the Office of Enrollment Management at admit@cottey.edu.

Online Connection

Take a virtual tour of Cottey College in Spanish or in English at cottey.edu/visit or watch a video featuring students discussing their love for the campus. It may be found at our YouTube channel CotteyEdu the video is titled Campus Tour of Cottey College.

P.E.O. CONNECTIONS

The campus of Cottey College offers three residence halls and 34 suites. All but five suites are currently being supported by P.E.O. state chapter endowments. One suite is supported by an endowment established by the Cottey College Alumnae Association. Suites typically have a mix of new and returning students from around the world and each hall has a live-in hall director on staff and three student resident assistants. In addition to the suite names and support, all three of the Cottey residence halls have incredible P.E.O. connections!

P.E.O. Hall was dedicated in 1939, and it was the first major construction project after the P.E.O. Sisterhood gained ownership of the College. It is the only present residence hall to be built while the founder of the College, Virginia Alice Cottey Stockard, was still alive. New parlor renovations in 2018 resulted from a gift by Sophia Zetmier, past president of Kansas State Chapter of the P.E.O. Sisterhood. P.E.O. Hall parlor was the first to be refurbished to meet the needs of today's students in order to create inviting spaces for living and learning.

Reeves Hall, Cottey's second residence hall, was built in 1948. It is named after Winona Evans Reeves, past president of the Supreme Chapter of the P.E.O. Sisterhood and former editor of *The P.E.O. Record*. The parlor was modeled to resemble a hotel, and the suites to look like NYC apartments. Major renovations in 2021 included the addition of air-conditioning and replacement of the original plumbing within the building. Built in 1958, **Robertson Hall** is named after past president of Nebraska State Chapter of the P.E.O. Sisterhood Elizabeth Robertson, whose daughter donated to the building fund in honor of her mother. In the lower level, **Raney Dining Room** is named for Bessie Raney, past president of P.E.O. International Chapter.

A home away from home and a little family—that's how recent Cottey students describe living in a Cottey College suite! Residence halls at Cottey are divided into apartment-style suites that include single and double bedrooms and a shared living room, large bathroom, and kitchenette. Residents come to Cottey from all segments of society, different cultures and countries, and with varying values systems and life experiences, but mutual respect and consideration coupled with an awareness of, and sensitivity to, the needs of others are always encouraged. In this living environment, suitemates and hall residents have an excellent opportunity to develop lifelong friendships.

Online Connection

A video featuring students discussing their love for the suite life at Cottey may be found at our YouTube channel CotteyEdu. The video is titled "Suite Life."

SEEING IS BELIEVING

AT COTTEY

Our research shows that students who visit campus are the most likely to apply, deposit, and enroll in classes. Your encouragement can make all the difference! Tell students about the importance of a visit, help them gain access to the P.E.O. travel funds/vouchers, and encourage them take that important step in realizing their incredible futures!

EXPERIENCE COTTEY

The Cottey visit experience is an **experience!** This year-round visit opportunity is student- and experience-focused, with each student's individual interests and objectives in mind. In addition to a campus tour, students will meet with admission and financial aid, have the opportunity to sit in on a class (if available), meet with faculty and students, have lunch in Raney Dining Room, check out the Spirit Shop, and more.

We encourage all students considering Cottey to experience campus for themselves! For students from over 100 miles from campus, we offer a one-night complimentary hotel room. In addition, any student who visits campus and subsequently enrolls at Cottey will receive a \$1,500 annual visit scholarship, for up to \$6,000 over four years. To schedule a prospective student visit, go to our registration page: cottey.edu/visit

SCHOLARS DAY

Scholars Day is an invitation-only honors event for eligible accepted high school seniors and transfer students. This event gives students the opportunity to earn up to full tuition through an essay competition and interview with current Cottey scholars and faculty. Students attend informational sessions and have a personal campus tour. Attendees meet with faculty and students to discuss their ambitions for college and beyond and learn how Cottey's academic programs can help them achieve those goals. The requirements to qualify are listed below:

- 3.75 GPA or higher, and
- Current resume, and
- Acceptance notification from Cottey

Students will receive an invitation to attend. Current dates and additional information are available at cottey.edu/scholars

FOR MORE INFORMATION

For additional and emerging visit opportunities, be sure to visit cottey.edu/visit. If there is a prospective student in your life, be sure to refer her to Cottey! This is done easily by phone (417-667-8181 ext. 2107), email (admit@cottey.edu), or online (cottey.edu/referstudent).

ENROLLMENT MANAGEMENT

INFORMATION

A Cottey College education emphasizes high academic standards with unique opportunities for personal growth through residential, cultural, and intellectual experiences.

Students may apply to Cottey as early as April of their junior year.

Students must have at least a 2.6 high school GPA. Students must be taking a college preparatory curriculum at their high school—meaning they will have 4 years of English, 2 years of the same foreign language, 3 years of mathematics, 2 years of science, and 2 years of history and government.

In reviewing applications, Cottey performs a holistic assessment considering GPA, recommendations, activities, goals, and character. Overall, the College seeks to admit students whose interests and aspirations match the opportunities provided by Cottey and who will contribute to Cottey's unique educational environment.

To apply, visit cottey.edu/apply.
