All student vehicles must be registered.

It is important to avoid reserved parking spaces designated with a sign or curb or pavement markings. Any vehicle parked in a designated fire lane or other restricted use parking spaces may be ticketed or impounded. Parking in the Chapel drive is limited to 15 minutes.

I understand that a ticket will be issued for any of the following violations:

- ◆ Having an unregistered vehicle or failing to affix the registration sticker
- ◆ Parking in restricted or reserved places on College property
- ◆ Parking too long in timed areas
- ◆ Failure to park in designated parking area or within the marked lines
- ◆ If found parking in a designed handicap parking only or fire lane, the citation will be issued by the Nevada Police Department

All parking fines must be paid in the Business Office within one week (five working days) from the date the ticket was issued. A student may receive up to three vehicle violation tickets per year. Upon receipt of the fourth ticket or when parked in a reserved space or fire lane, the student's vehicle may be towed from the College property at the expense of the student.

I have read, and understand the rules and regulations as identified in the student Handbook governing the possession of cars while a student at Cottey College and will abide by those rules and regulations.
