

## **Complete an Annual Student Loan Acknowledgment for Federal Student Loans**

We recommend you complete an Annual Student Loan Acknowledgment each year you accept a new federal student loan. Our goal is to help you understand your loans and how they affect your financial future.

If this is **your first time accepting a federal student loan**, you are acknowledging that you understand your responsibility to repay your loan.

If you have **existing federal student loans**, you are acknowledging that you understand how much you owe and how much more you are eligible to borrow.

You'll also see other federal student aid information, including the interest rates and repayment options to make managing your student loans easier.
