

## **Master Promissory Note and Entrance Counseling Instructions**

Student,

Our records show you have accepted a Federal Direct Subsidized and/or Unsubsidized Loan as part of your financial aid package. As a first-time Federal Direct Loan borrower, you must go to <https://studentloans.gov> and sign in using your FSA ID. Then you will need to complete two steps:

1. Loan Entrance Counseling
2. Sign a Master Promissory Note

Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you have any questions, please contact the financial aid office.

Thank you!

Financial Aid Staff
