AFFORDABILITY

AFFORDABILITY

We are dedicated to helping women unlock their potential and become socially responsible, globally aware leaders. That's why Cottey works hard to make attending college affordable and strives to work with students who have financial needs.

Don't be misled! The low sticker price of public universities may make them look like a bargain. Cottey's scholarships, aid, and grants from the P.E.O. Sisterhood bring our average cost to attend below most public and private schools.

To the right our average annual cost after financial aid is applied, compared to other institution types. This includes tuition, fees, and room and board.
