

# Experiences in Education: Key Points

- Cottey offers 15 majors across four disciplines: fine arts, humanities, sciences, social sciences
- Cottey's Kolderie Academic Assistance Center supports the entire student educational experience
- Cottey's Library supports students with digital resources, print materials, periodicals, and more
- The Wellness Center supports Cottey students' physical and mental wellness

# Experiences in Education: Key Points continued

- The housing office places students together based on common interests and compatibility
  - Housing coordinates programming to support harmonious living, including resident assistant programs
- Traditions encourage a sense of belonging and connection to Cottey and alumnae
- Campus Activities promotes road trips, intramurals, organizations, etc. to facilitate campus life
- The College supports a multicultural festival to celebrate campus diversity

## Experiences in Education: Key Points continued

- Immersions and excursions promote learning outside the classroom
- Students often have the opportunity to attend conferences related to their academic interests
- Athletics at Cottey has strong programming to promote student success
- All baccalaureate students present capstone presentations on their research
- The majority of all baccalaureate graduates go on to the workforce or graduate school

CONFERENCE

**Champions of Character®**  
**FIVE-STAR INSTITUTION**

---

**2021-2022**

---

**GOLD**

Each year, institutions are measured on a demonstrated commitment to Champions of Character and earn points in:

- character training,
- conduct in competition,
- academic focus,
- character recognition and promotion

Institutions earn points based on exceptional student-athlete grade point averages and by having minimal to no ejections during competition throughout the course of the academic year.
