

## Visiting Assistant Professor of Chemistry

Cottey College, a private liberal arts and sciences college for women, invites applications for a one-year visiting position in chemistry for the 2024-25 academic year. Required qualifications: Ph.D. in chemistry and the ability to teach **organic chemistry**. The candidate should also indicate a commitment to teaching as well as service to students. Preferred qualifications include lecture and lab teaching experience.

Cottey College is an independent, liberal arts and sciences women's college in Nevada, Missouri. Since 1884, the College has offered young women the opportunity to learn and grow. Cottey College encompasses a diverse group of students, faculty, and staff, including 27% first generation students, 47% students awarded Pell Grants, 18% students of color, 6% international students and 19% faculty of color. The successful candidate will have demonstrated favorable results in working with diverse populations. A Cottey education is guided by three threads: leadership, social responsibility, and global awareness. Cottey College helps each student excel as learners, leaders, and global citizens—providing a comprehensive and empowering experience in an intimate academic setting that transforms them to reach their highest potential.

Review of applications begins immediately and continues until the position is filled. General documents for application should be sent by email in Microsoft Word or a compatible format. Send cover letter, curriculum vitae, statement of teaching philosophy including philosophy of teaching a diverse student body, copies of transcripts, contact information for three references to Dr. Karla McCain, VPAA. E-mail: [acadaffairs@cottey.edu](mailto:acadaffairs@cottey.edu); Phone: 417-667-8181. Applicants must be eligible to work in the US without sponsorship. Further information about Cottey is available at <http://www.cottey.edu>. Cottey College is an Equal Opportunity Employer.
