

Students living in a state other than Missouri, as designated by their location (see [location policy](#) on p. 6 of teacher education handbook), must sign an attestation form indicating their awareness that *The Relational Teacher* educator preparation program at Cottey College meets educator preparation requirements for initial teaching licensure in Missouri only. It is the student's responsibility to seek out a particular state's licensure board or agency/entity to determine eligibility for licensure in that state, if they choose to seek licensure in another state.
