Dr. Sarah Polo

The First-Year Writing Seminar program is pleased to announce Cottey's Fall 2025 Common Reader, *Code Dependent: Living in the Shadow of AI* by Madhumita Murgia. All incoming Cottey students will read *Code Dependent* as part of their FWS 101 courses.

We are grateful to the folks who served on this year's selection team: Dr. Oindrila Roy, Dr. Jon Green, Denise Hedges, Dr. Sarah Quick, Dr. Christa Kieffer, Dr. Claire Mills, Dr. Julie Tietz, and Dr. Amanda Gilchrist.

As always, we welcome your nominations for future common reader texts! A nomination form will be circulated in the coming months.
