COTTEY COLLEGE VOLLEYBALL

Ashleigh Miller

Volleyball is hosting a conference quad tournament on Saturday, October 4, **and all faculty/staff have free admission to attend!**

We'd love to have the extra support during these tough competitive matches to help volleyball rank higher in conference winnings.

Michael Foster

The Cottey Bowling team will be making its first appearance in Rockford, Illinois. The team's first competition will be the 7th Annual Hammer Golden Eagle Invitational.

We plan to learn a lot from this tournament and gain confidence as well. The team has made great strides in practice, preparing for our 1st.

Julie Tietz

As mentioned at a recent faculty meeting, I would like to challenge everyone to show their support for Cottey student-athletes by "upping their game" by 1 each semester—that is, by attending 1 more athletic event each semester than they have in the past.

To help you stay on top of athletic events, I also encourage you to download the Comets app from the Google Play store or the Apple store. It has event info for both home and away games, livestream links, and much more. Please register using your Cottey email, and then when you attend an event, you can check in to allow us to get a more accurate attendance count. If for some reason you are unable to check in through the app, please be sure to let me know when you attend an event by telling me personally or via email. If you have difficulties with the app, please let Dominic Habjan know.

Finally, you are particularly encouraged to attend the first faculty-staff appreciation night of the school year on Tuesday, October 14th, at 5 pm when the volleyball team will face off against Crowley's Ridge College. Hope to see you there!
