

COTTEY COLLEGE TRANSPORTATION INFORMATION 2025-2026

Cottey College offers shuttle reservations to and from Kansas City International Airport (MCI airport code) at the beginning and end of academic breaks. If you need Cottey’s transportation service, please plan your air travel around the departure times below. Public transportation is very limited.

On or during travel days, for changes or cancellations or to report travel difficulties that may delay your arrival, please contact the hall director line at 417-667-1199.

Cost and Reservations: Shuttle tickets are free for students with a **reservation**. Reservations are on a first-come, first-served basis, with 30 seats available. Reservations must be booked seven business days before the trip. *Business days/hours are defined as 8 a.m.-5 p.m., Monday-Friday.* Students may make a reservation through the MyCottey portal at this link, [Cottey College Transportation Information 2025-2026](#), or through the Cottey website at this link, [Cottey College – Transportation Information for Current Students](#). Online and MyCottey reservations close seven days before the scheduled departure date, but reservations may be made in person in the student life and enrollment office with Ms. Shaun West for a fee of \$25. Failure to cancel a reservation five days before departure is a \$25 fee; walk-on riders are accepted with a fee of \$50; and the no-show fee on the day of departure is \$100, due upon return to campus.

This schedule and price are subject to change at the discretion of the College.

Luggage: As space is limited, students may only bring one large or two small suitcases each and a small amount of carry-on luggage.

Length of trip: The trip between Cottey and the Kansas City airport takes approximately 2½ hours. Allow at least one hour between arriving at the airport and the flight/shuttle departure time.

Airport Information: Baggage claim carousels are located in the Arrivals area on Level 1. The shuttle pick-up is located on the second curb outside the building of the Arrivals area, designated as commercial pickup. There is signage to direct you to the pre-arranged pick-up area.

Liability: Should an unforeseen event arise that forces a shuttle to be late (weather or mechanical problems), alternate transportation arrangements will be made as soon as possible. The College, however, is not responsible for the cost of a missed shuttle on this optional service.
